			SF1	1400	Semi-final #1				
			SF2	1900	Semi-final #2				
Sun	24	March	BRZ	1000	Bronze Medal Game				
			GLD	1600	Gold Medal Game				

In a 13 team round-robin, all teams play 6 times with dark-coloured handles and 6 times with light-coloured handles so there is no need for a coin toss to determine first and second practice for the first game.

At the conclusion of the team's pre-game practice, two players each deliver a stone to the tee at the home end; the first stone with a clockwise rotation, and the second stone with a counter-clockwise rotation. The distances are combined to determine the Last Stone Draw (LSD) for that game. The team with the lesser LSD distance has the choice of delivering first or second stone in the first end. If the LSD totals are equal, the team with the best unequal LSD stone has the choice. If the case where all LSD stones are equal, a coin toss will determine which team has the choice.

First named teams in each draw play the stones with the dark-coloured handles, and wear dark-coloured upper playing garments. Second named teams in each draw play the stones with the light-coloured handles, and wear light-coloured upper playing garments.
